ARMA Releases 2019 Q2 Report on Asphalt Roofing Product Shipments

Washington D.C. (July 15, 2019) – The Asphalt Roofing Manufacturers Association (ARMA) has released its Quarterly Product Shipment Report, covering asphalt roofing product shipments in the United States and Canada in the second quarter of 2019. The report includes year-to-date shipment information and a comparison with the prior year’s data.

“The shipment report provides direct insight into the asphalt roofing industry for interested parties,” said ARMA’s Executive Vice President Reed Hitchcock. “Parties may examine the free quarterly summaries, or consider subscribing to the full, detailed report on the [ARMA website](#).”
