**ARMA Releases Third Quarter 2020 Report on  
Asphalt Roofing Product Shipments**

Washington, D.C. (October 19, 2020) – The Asphalt Roofing Manufacturers Association (ARMA) has released the third Quarterly Product Shipment Report for 2020. The report covers asphalt roofing product shipments in the United States and Canada in the third quarter, as well as a comparison with the prior year’s data.

“ARMA’s quarterly shipment reports provide ARMA members and other interested parties with relevant, important insights on the current state of the asphalt roofing industry,” said Reed Hitchcock, ARMA’s executive vice president.

**About ARMA:**

The Asphalt Roofing Manufacturers Association (ARMA) is a trade association representing North America’s asphalt roofing manufacturing companies and their raw material suppliers. The association includes the majority of North American manufacturers of asphalt shingles and asphalt low slope roof membrane systems. Information that ARMA gathers on modern asphalt roofing materials and practices is provided to building and code officials, as well as to regulatory agencies and allied trade groups. Committed to advances in the asphalt roofing industry, ARMA is proud of the role it plays in promoting asphalt roofing to those in the building industry and to the public.
