ARMA Releases 2023 Q2 Report on Asphalt Roofing Product Shipments

Forest Hill, MD (July 18, 2023) – The Asphalt Roofing Manufacturers Association (ARMA) has released its Quarterly Product Shipment Report for the second quarter of 2023. The report covers asphalt roofing product shipments in the United States and Canada in the second quarter, as well as year-to-date shipment information and a comparison with the prior year’s data.

“The shipment report provides valuable insight into the asphalt roofing industry to trade professionals and interested parties,” said ARMA’s Executive Vice President Reed Hitchcock. “Asphalt roofing data is relevant and meaningful to a number of industries.”

Roofing product shipment data is collected from participating manufacturers by an independent third party, Association Research Inc., and aggregated to create this report. Companies that are not members of ARMA may examine the free quarterly summaries, and those ineligible for ARMA membership can subscribe to the full, detailed report on the [ARMA website](#).
