ARMA Releases 2025 Q3 Report on Asphalt Roofing Product Shipments

Forest Hill, MD (October 21, 2025) – The Asphalt Roofing Manufacturers Association (ARMA) has released its Quarterly Product Shipment Report for the third quarter of 2025. The report covers asphalt roofing product shipments in the United States and Canada in the third quarter, as well as year-to-date shipment information and a comparison with the prior year’s data.

“The shipment report provides valuable insight into the asphalt roofing industry to trade professionals and interested parties,” said ARMA’s Executive Vice President Reed Hitchcock. “Asphalt roofing data is relevant and meaningful to a number of industries.”

Roofing product shipment data is collected from participating manufacturers by an independent third party, Industry Insights, and aggregated to create this report.
