## ARMA Releases 2026 Q1 Report on Asphalt Roofing Product Shipments

**Forest Hill, MD** (April 23, 2026) – The Asphalt Roofing Manufacturers Association (ARMA) has released its Quarterly Product Shipment Report for the first quarter of 2026. The report covers asphalt roofing product shipments in the United States and Canada in the first quarter, as well as year-to-date shipment information and a comparison with the prior year’s data.

“Asphalt roofing data is relevant and meaningful to a number of industries,” said ARMA’s Executive Vice President Reed Hitchcock. “The shipment report provides valuable insight into the asphalt roofing industry to ARMA members, trade professionals and other interested parties.”

Roofing product shipment data is collected from participating manufacturers by an independent third party, Industry Insights, and aggregated to create this report. Companies that are not members of ARMA may examine the free quarterly summaries, and those ineligible for ARMA membership can subscribe to the full, detailed report on the [ARMA website](#).

### Asphalt Roofing Product Shipments

Shipments (squares)	Q1 2026	Q1 2025	% Change	YTD 2026	YTD 2025	% Change

###

**About ARMA:**

The Asphalt Roofing Manufacturers Association (ARMA) is a trade association representing North America’s asphalt roofing manufacturing companies and their raw material suppliers. The association includes the majority of North American manufacturers of asphalt shingles and asphalt low slope roof membrane systems. Committed to advances in the asphalt roofing industry, ARMA is proud of the role it plays in promoting asphalt roofing to those in the building industry and to the public.
